Chief Wargelin,

On behalf of the Willoughby Fire Department, I would like to take this opportunity to thank you and your Department for participating in our recent Drafting Operations training. Lt. Nagy, Matt and Jeremy provided invaluable assistance in making this training a success. Additionally, without the use of your tanker and portable tank the training would not have been possible.

Your personnel demonstrated their professionalism and willingness to help at each training session and our personnel were very impressed. Thanks again.

Alan C. Zwegat, Fire Chief
