Dear Chief,

In the Fire service, we start each tour of duty ready to protect and serve and train hard to bring our crews home safe. On March 5, 2015 we found ourselves in the position to experience firsthand the risks we face each day and what true brother/sisterhood is all about. Although not surprised, we were truly overwhelmed with the outpouring of concern and the immediate response from the many agencies that jumped into action to come to our aid. It is times like this that give us the opportunity to thank those that have chosen a career in public service and work so hard to keep our communities safe.

On behalf of Munson Fire Department, I would like to thank you and your crews for all their assistance at the accident on March 5th involving our fire truck. Your help securing the scene and keeping our injured fire fighters safe is greatly appreciated. Thank you also for your great care in stabilizing and transporting the injured driver and all your support even after he was admitted to the hospital. It is hard to put into words our gratitude for all you have done. We are proud to be part of the great community of fire departments in this area that will always go above and beyond for a brother or sister in need.

As always, thank you for your continued support.

Respectfully,

Mark Lynn, Fire Chief
