Dear Joe:

I can't thank you enough for your support of our Kiwanis Recycling events this past weekend. You were always there to run interference and keep things moving.

1. Ensuring reservation of the Recycle Park facilities vs sports usage
2. Accommodating the Kiwanis Events with the Chester Senior and Community Cleanup activities.
3. Supplying the contact to resolve the last minute Porta-Potty debacle
4. Allowing us to use Chester Cleanup dumpsters for the Leave & Take remnants.

Thank you for everything that you do to help us bring these events to our community,

Sincerely,

Kenneth L. Mantey

Dear Chester Police:

I had contacted McDonald's prior to our Document Shredding & Recycling event to borrow their water jugs for our volunteers for the weekend Sept 10-14<sup>th</sup>. It was going to be a hot weekend. I got a frantic call from the manager at the last minute 3:30pm Friday evening saying they could not find their jugs and we would have to make other arrangements. They suggested calling the CPD. I called the non-emergency number and was relieved to find that you did have two water jugs and that we could borrow them. It was after hours and your station was closed but you all made it easy to rectify the situation.

On Saturday you provided two patrolmen to direct traffic and keep things orderly as the residents made a long line stretching down Parkview and Herrick to get into the back of the Recycle Park. Everything was professionally handled and executed without any problems.

Thank you again for everything that all of you do and helping us bring this event to our community,

Sincerely,

Kenneth L. Mantey

Dear John & Rd Dept Staff:

Thank you for accommodating and coordinating our Kiwanis Recycling events with your Chester Senior and Community Cleanup week. Thank you especially to Jim Mitri for helping layout, paint and re-paint the positions for all the roll-off bins to fit into the tight Recycling parking lot configuration.

The community is very appreciative of the Senior and Community cleanup drives.

An additional thank you is extended to all the hard working Rd Dept employees for picking up and dumping the items left over after the Kiwanis Leave & Take event along with your other cleanup work.

Thank you again for everything that all of you do and helping us bring these events to our community,

Sincerely,

Kenneth L. Mantey
